VENDOR PARKING PERMIT

Vendors,

The Trout Creek Board is still requiring a RV parking charge of \$10.00 for the weekend. They request that you come no earlier than Thursday after noon before the festival and leave no later than noon on Monday after the festival.

Please fill out the parking permit below, cut on the dotted line and send it to:

Huckleberry Inc.
PO Box 1447
Trout Creek, MT 59874

Include a check for \$10.00. If you are a new vendor and/or ask for a different space, I will fill the space number in when I assign your space.

When I send your confirmation back to you I will include a parking permit that will need to be placed in the front window of your RV. We will be checking the RV's to make sure the permit is displayed. In the past we had some people come in and park that were just passing through. If you notice someone that does not have a permit displayed, we would appreciate you letting us know in case we miss them.

Thanks,
Kathy

**PLEASE PRINT THIS FORM AND RETURN THE BOTTOM
